THE GLOBAL ADVANCE FUND (GAF)

The GAF is the primary way to support our International Workers. It provides:

- ▶ Rent (overseas and while in Canada on Home Assignment)
- ▶ Health Care/Dental/Insurance
- ▶ Children's overseas education costs

OTHER FUNDS

WORK SPECIALS

Work Specials are needed tools for specific outreach or discipleship related to the ministry. All International Workers have a Work Special account. The way to designate for this fund is to write, "for the work of ___ (full name of International Worker)."

APPROVED SPECIALS

Ask the International Workers if they have any approved specials (ex. local outreach centre, vehicle fund). These accounts have very specific names, and it's important to make sure you know what they are so that giving will go to the right place when sent to the National Ministry Centre.

OUTFIT FUND

The Outfit Fund supplies household items for International Workers, such as clothes and furniture. It is tax receiptable; each worker may receive a maximum of \$3,000 per person, per year. To designate your giving for the Outfit Fund write, "for the outfit of ___ (full name of International Worker)."
