

Decision Profile
DEXCOM Policy Review of
References for District Superintendent Candidates

Decision Required:

Whether the DEXCOM policy, *References for District Superintendent Candidates*, should be revised.

Why it is Coming to DEXCOM:

References for District Superintendent Candidates is a DEXCOM policy and requires DEXCOM approval for any revisions.

Background:

As part of the DEXCOM policy governance process, one policy is brought forward for review each meeting.

The policy *References for District Superintendent Candidates* was initially adopted in July 2020. It is intended to clarify the parameters and process for providing references for candidates seeking election as District Superintendent, and in particular, those that may be CPD employees.

The current policy is attached.

Recommendation/Motion:

THAT DEXCOM make any changes to the *References for District Superintendent Candidates* policy that arise from discussions.
