

Decision Profile

Adoption of the 2021 Audited Financial Statements

Decision Required:

To adopt the 2021 audited financial statements for the Canadian Pacific District.

Why it's Coming to the Annual General Meeting:

As part of its fiduciary duties, the membership of the Canadian Pacific District is responsible to approve the annual audited financial statements.

Background:

The firm of Loewen Kruse Chartered Accountants performed the annual audit and reported no significant accounting issues, audit difficulties, or other matters that arose during the audit. They also reported that no items or internal control and accounting deficiencies arose from the current audit. The financial statements and accompanying report from the auditor are attached.

Alternatives Considered:

None

Recommendation:

THAT the 2021 audited financial statements for the Canadian Pacific District be adopted.
