
District Operating Budget (DOB)

Local churches of the Canadian Pacific District have collectively agreed, through a District Conference motion, to submit 2.5% of their General Fund income (excluding any Building Fund, Missions Fund, or other fund income) to the District Office on a monthly basis in order to fund its ministries and functions.

1. On June 1, 1995, District Conference passed the following motion that set the DOB at 2.5% of local church General Fund income:

We recommend that DOB be increased from 2% to 2.5% in 1997 if District staff is expanded in keeping with the church ministry's Recommendation #1.

2. On February 11, 2003 DEXCOM directed the implementation of the above motion, to be effective on April 1, 2003:

It was MOVED and SECONDED that on April 1, 2003 we implement the previously approved increase for District Operating Budget assessment of local churches from 2.0% to 2.5 % of their General Fund giving.
