

DEXCOM Suggested Education Topics

The following topics have been suggested over various DEXCOM meetings (not listed in any priority order):

- Transition Ministries – invite Daren Wride
- Trends in Western culture and the impact on pastoral ministry in Canada (further conversation with John Stackhouse)
- Indigenous ministries in Canada – invite Howard Jolly
- Further education on monitoring – invite Steve Schneider or Gerry Teichrob
- DEXCOM’s role in the broad scope of vision (future planning)
- CPD Property development/utilizing church buildings – reading *The Coming Revolution in Church Economics* by Mark Deymaz
- Intercultural fluency training
- Revisit past education topics (gender identity, LGBTQ2S, property development/affordable housing, etc.)
- Sexual orientation and gender
- Ecclesiology – the thought that church is not so important and how this could be corrected
- Investment that invokes imagination for the Kingdom, dealing with district finances creatively
- Pastoral ethics
- Virtual/metaverse paradigm shift – invite Bryce Ashlin-Mayo
- Leader development – engaging the heartbeat of the next generation
