
District Bylaws Committee Member Declaration of Conflict of Interest

Distribution of this statement does not imply a lack of confidence, rather it serves as a reminder of the duty to reveal any conflict of interest issues in advance, and of the fiduciary standards that must guide everyone who is a Bylaws Committee member to protect the integrity and the reputation of the Christian and Missionary Alliance – Canadian Pacific District. This declaration will be requested annually.

Declaration

I have carefully read and understood the Conflict of Interest language in the *District Office Employees and Volunteer Conflict of Interest Policy* and by signing this declaration I have considered not only the literal expression of the policy but also its intent.

I hereby declare that except as hereinafter stated, to the best of my knowledge and belief, I was not nor am I in, any conflicts of interest which have not been disclosed as required. This includes conflicts that resulted, may result, or could result, in any direct or indirect gain or advantage to myself. Furthermore, I currently have no plans that would place me in such a conflict of interest. I also do not have any relationships that may appear to lead to a conflict, except as provided.

I understand and agree that if any situation arises which I believe may involve a conflict of interest, I will promptly and fully disclose the circumstances to the Chair of the District Bylaws Committee.
